

## Internal Quality Assurance Cell (IQAC) of ALIET

### Quality Matters

The Internal Quality Assurance Cell (IQAC) was formed at Andhra Loyola Institute of Engineering and Technology, Vijayawada in the year 2014-15, with the aim of carrying out all academic activities with quality upgradation and with a constant and continuous quest for excellence.

The members of the IQAC cell meet occasionally to hold discussions and make deliberations pertaining to quality assurance and sustenance in various areas namely, teaching, learning and evaluation for providing a holistic education to the learners.

### Vision

Developing and ensuring quality procedures that will ensure an all-round excellence at the institutional level.

### Mission

- To strengthen the efforts and procedures of the institution towards academic excellence.
- To conduct orientation programme for the newly recruited staff and for the freshers.
- To constantly remain informed about LMS and ICT tools for enhancing teaching and learning.
- To promote a culture of research through quality publications and by organizing National Conference, Seminars and Workshops and FDPs.

- To provide a platform for experiential learning through internships, fieldtrips and study tours.
- To evaluate periodically the progress of each department, both in curricular and co-curricular activities.
- To cater the needs of learners through effective mentoring.
- To conduct Academic Audit annually.
